Learn everything an expat should know about managing finances in Germany, including bank accounts, paying taxes, getting insurance and investing.

Based initially on the study of flight characteristics of birds, Aquiline was envisioned as a long-range vehicle that could safely and stealthily provide a window into denied areas

such as the Soviet Union through photography and other capabilities, and would even support in-place agent operations.

An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed

equivalent.
