Introduction This article provides an overview of the recruitment and selection process for the Canadian Armed Forces (CAF) or Forces Armées Canadiennes (FAC). Canada is composed of ten provinces and three territories and is geographically located in the northern part of...

When I first came to psychology, however, I wanted to be a clinical psychologist. Only upon enrolling in Dr. Helga Noice's Cognitive Psychology course, did I discover the excitement of doing research. The course required us to test our own autobiographical memory by conducting an experiment similar to the one run in 1986 by W. Wagenaar.

The first dimension is one that comes to mind for most Canadians when they think of religion, some systematic form of beliefs. Religious beliefs are a generalized system of ideas and values that shape how members of a religious group come to understand the world around them (see Table 15.1 and 15.2 below). They define the cognitive aspect of ...
