An open implementation of a system of legal citation. R2. Typeface Standards. R2.1. Only the following items should be italicized: . Case names—both full and short case names, and procedural phrases (e.g., In re and ex parte) preceding the case names (but note the special guidance for law review articles in Rule 11.2.3); Book titles

The Affordable Care Act of 2010 (ACA) will place many demands on health professionals and offer them many opportunities to create a system that is more patient centered. The legislation has begun the long process of shifting the focus of the U.S. health care system away from acute and specialty care. The need for this shift in focus has become particularly urgent with respect to chronic ...
