Historical fiction introduces children to characters who have different points of view and offers examples of how people deal differently with problems. It also informs students about the interpretive nature of history, showing how authors and illustrators deal with an issue in different ways.

Historical negationism, also called denialism, is falsification or distortion of the historical record. It should not be conflated with historical revisionism, a broader term that extends to newly evidenced, fairly reasoned academic reinterpretations of history. In attempting to revise the past, illegitimate historical revisionism may use techniques inadmissible in proper historical discourse ...
