Microtonal music or microtonality is

the use in music of  
microtones—intervals smaller than a  
semitone, also called

"microintervals".It may also be extended to include any music using intervals not found in the customary

Western tuning of twelve equal intervals per octave. In other words, a microtone may be thought of as a

note that falls between the keys of a piano tuned in equal temperament.

Western philosophy encompasses the philosophical thought and work of the Western world. Historically, the

term refers to the philosophical  
thinking of Western culture,  
beginning with the ancient Greek

philosophy of the pre-Socratics. The word philosophy itself originated from the Ancient Greek philosophía

. As you may know, people have search numerous times for their favorite books like

this but end up in harmful  
downloads. Rather than  
reading a good book with a

cup of tea in the afternoon,  
instead they juggl with some  
harmful bugs inside their

desktop computer.
