Fig. 11.5 (e) Citrate Test Purpose The citrate test screens a bacterial isolate for the ability to utilize citrate as its carbon and energy source. A positive diagnostic test rests on the generation of alkaline by-products of citrate metabolism. The subsequent increase in the pH of the medium is demonstrated by the color change of a pH indicator.

2/5/2019 · The Vishram Singh Anatomy was one of the books a first year student during his MBBS would grab to read and look the insights as he opens BD Chaurasia sideways. Although not the bible of anatomy, it still holds its place throughout the learning process of the initial semesters.
