Job Qualifications: Minimum of three years' of full-time employment in an office, business, gallery, museum, nonprofit organization, or similar setting in operations-related activities / Experience with project management and grant administration / Strong organization, time-management, and systems thinking skills / Ability to work as a collaborative member of a high-performing team ...

Peacekeeping comprises activities intended to create conditions that favour lasting peace. Research generally finds that peacekeeping reduces civilian and battlefield deaths, as well as reduces the risk of renewed warfare.. Within the United Nations (UN) group of nation-state governments and organisations, there is a general understanding that at the international level, peacekeepers monitor ...

Training is the means by which US Army professionals prepare for future operations and build readiness across the force. The Combined Arms Center – Training (CAC-T), supports and enhances individual and collective home station training and training conducted at the combat training centers in order to build readiness and capabilities that support US Army and joint force commanders.
