8/2/2017 · In Exploring Public Speaking, especially in its second through fourth editions, we have attempted to create a usable, zero-cost textbook for basic public speaking courses or courses that include basic public speaking skills as one of their primary learning outcomes. The free, open nature of the text means that instructors are

able to use all or part of it, and add their own materials.

31/7/2016 · Thank you so much for sharing these ideas about creating projects by using the Google Drive! The middle school I teach at implemented a 1:1 program last year with Chromebooks, so the students have easy access to all of the Google apps. I had always grown up using Word docs and I was a little hesitant to start using Google docs at first.

Welcome to Tagxedo, word cloud with styles. Tagxedo turns words -- famous speeches, news articles, slogans and themes, even your love letters -- into a visually stunning word cloud, words individually sized appropriately to highlight the frequencies of occurrence within the body of text.

The Editing team is planning to change the name of the " Save page " button to " Publish page " and " Publish changes "." Publish page " will be used when you create a new page. " Publish changes " will be used when you change an existing page. The names will be consistent in all editing environments. This change will probably happen during the week of 30 August 2016. The ...
