The phrase "carrot and stick" is a metaphor for the use of a combination of reward and punishment to induce a desired behaviour. In politics, "carrot or stick" sometimes refers to the realist concept of soft and hard power. The carrot in this context could be the promise of economic or diplomatic aid between nations, while the stick might be the threat of military action.

Course Description and Objectives: The course is intended to be of introductory level which aims to familiarize the students with major trends and important topics in the discourse of development. The course covers a wide range of issues the

Ludwig von Mises was the acknowledged leader of the Austrian school of economic thought, a prodigious originator in economic theory, and a prolific author.
