Native advertising, also called sponsored content, is a type of advertising that matches the form

and function of the platform upon which it appears. In many cases it functions like an advertorial, and

manifests as a video, article or editorial. The word native refers to this coherence of the content with the

other media that appear on the platform.

3/2/2020 · When you work hard and go above and beyond your job description or outperform your

colleagues, it's natural to want a decent pay rise. Apart from needing to pay the bills, money is a sign of

your value to the organisation, and feeling under-appreciated can negatively impact your confidence.

Yet negotiating a pay rise can be nerve-wracking.

Historically there have been differences among investigators regarding the definition of
