8/5/2014 · It is important to remember that exhibitions communicate values, and that these values are often competing or contested. As this chapter has made clear, the notion of 'value' is a key element in any discussion on exhibition ethics, and no code of ethics or ethical standards may resolve contested issues if there is no

room for mutual respect and sensitivity.

24/1/2018 · The term critical is not employed by theorists as a pseudonym for criticism but refers to an intellectually engaged process of seeking both to evaluate the merits of various assertions or evidence and to appraise the ideological and structural contexts in which these assertions or evidence derived. Thinking that is
