The Arctic Cat service manual downloads for the above listed models describes the service procedures for the complete vehicle. Follow the Maintenance Schedule recommendations to ensure that the all-terrain vehicle (ATV, Utility, Quad) is in peak operating condition and the emission levels are within the standards set by the your states/county Resources Board.

The System ONLINE system enabled every user to do his work without affecting the other. All members of the company can perform their work at the same time without affecting the Performance The operating system used is an IBM software VM / ESA and the software used is the Oracle databases and the COBOL programming language.

Bremach was founded in 1956 in the city of Varese (northern Italy) by the Brenna brothers, the owners of a repair workshop. They purchased the license for the production of the three-wheeler Macchi MB1 motorcycle from Aermacchi. The name Bremach was formed by the combination of BREnna and MACHi.. In 1983 the company began production of its most famous car series, the Bremach GR (4x4).
